

SYOSSET BASEBALL ASSOCIATION

Serving the Children of Syosset for Over 50 Years!

April 2008

Prospective sponsor:

Each year the Syosset Baseball Association (“SBA”) works to fulfill its mission, “...assisting youth in developing the qualities of citizenship, discipline, teamwork and physical well being by espousing the virtues of character, courage and loyalty.” The SBA does this by providing a nearly year-round program of instructional and competitive baseball for over 1,400 boys and girls from the Syosset/Woodbury community. Through the support of volunteer managers, coaches and directors, the assistance of parents, and importantly, the financial contributions of our sponsors, the SBA can continue to provide children, from the ages of five through eighteen, the opportunity to develop their baseball skills and learn the values of teamwork and friendship.

As a prospective sponsor/past sponsor, you know that this important enterprise would not be possible without your thoughtful generosity. To show our appreciation for your **\$250** contribution, each donator will receive:

- Listing on the recently redesigned SBA website (www.syossetbaseball.org)
- Publicity from ads/articles in local newspapers
- Plaques, with team photo, for display in your place of business
- Name on team jersey

Our preparations for the 2008 season are already underway. Registrations are in, equipment is being ordered and managers and coaches are volunteering for the new season. Now we need your help. There isn't a better way to help business while serving the children and the community than to be a SBA team sponsor.

To secure a team sponsorship please complete the Sponsorship Registration Form, and return it in the accompanying self-addressed stamped envelope with your **\$250 donation** made payable to the Syosset Baseball Association. We will send you an official Syosset Baseball Association receipt, acknowledging your support.

If you are interested in additional sponsorship opportunities, (banners for Syosset Woodbury Park, promotion at evaluations, journal opportunities, please contact Kimberly Ott 697-0626

On behalf of Syosset Baseball Association, we send our most sincere thanks.

Very truly yours,

Kimberly Ott,
Director of Sponsorships
